

# **GENERAL DATA PROTECTION REGULATION (GDPR) PROFESSIONAL TRAINING COURSE**

The GDPR Professional training course is a professional-level course developed based on the requirements of the General Data Protection Regulation ((EU) 2016/679). In this four-day course, participants are provided with a practical understanding of the applicability, principles, requirements and obligations of GDPR.

# AUDIENCE AND COURSE OBJECTIVES

The GDPR Professional training course is developed for members of a data protection team, personnel involved in GDPR implementation and assessment, and professionals wanting to increase their competency in implementing and assessing data protection based on GDPR.

This training provides an in-depth explanation of key concepts, principles, requirements, non-compliance consequences, and a structured implementation and assessment approach to ensure compliance with GDPR.
